

Advanced Protection For Cars That Need it Most

# Pamper That Ride

Two-thirds of the cars on the road today have over 75,000 miles on them. Those engines have special needs.

## Use of Kendall GT-1® High Mileage Synthetic Blend Motor Oil Helps:

- Restore seals and maximize engine performance
- Protect engine parts against wear
- Reduce oil consumption
- Minimize driveway leaks
- Minimize exhaust smoke
- Provide extra protection from deposits, sludge, and viscosity breakdown
